Proceedings of the Croatian Computer Vision Workshop, Year 1
September 19, 2013, Zagreb, Croatia

Preface

On behalf of the Organizing Committee it is my pleasure to invite you to Zagreb for the 2nd Croatian Computer Vision Workshop. The objective of the Workshop is to bring together professionals from academia and industry in the area of computer vision theory and applications in order to foster research and encourage academia-industry collaboration in this dynamic field. The Workshop program includes oral and poster presentations of original peer reviewed research from Croatia and elsewhere. Furthermore, the program includes invited lectures by distinguished international researchers presenting state-of-the-art in computer vision research. Workshop sponsors will provide perspective on needs and activities of the industry. Finally, one session shall be devoted to short presentations of activities at Croatian research laboratories.

The Workshop is organized by the Center of Excellence for Computer Vision, which is located at the Faculty of Electrical Engineering and Computing (FER), University of Zagreb. The Center joins eight research laboratories at FER and research laboratories from six constituent units of the University of Zagreb: Faculty of Forestry, Faculty of Geodesy, Faculty of Graphic Arts, Faculty of Kinesiology, Faculty of Mechanical Engineering and Naval Architecture, and Faculty of Transport and Traffic Sciences.

Zagreb is a beautiful European city with many cultural and historical attractions, which I am sure all participants will enjoy. I look forward to meet you all in Zagreb for the 2nd Croatian Computer Vision Workshop.

September 2013

Sven Lončarić, General Chair

Acknowledgements

The 2013 2nd Croatian Computer Vision Workshop (CCVW) is the result of the committed efforts of many volunteers.

All included papers are results of dedicated research. Without such contribution and commitment this Workshop would not have been possible.

Program Committee members and reviewers have spent many hours reviewing submitted papers and providing extensive reviews which will be an invaluable help in future work of collaborating authors. Managing the electronic submissions of the papers, the preparation of the abstract booklet and of the online proceedings also required substantial effort and dedication that must be acknowledged. The Local Organizing Committee members did an excellent job to guarantee a successful outcome of the Workshop.

We are grateful to the Technical Co-Sponsors, who helped us in granting the high scientific quality of the presentations, and to the Donators that financially supported this Workshop.

Contents

Organizing Committee	1
Reviewers	2
CCVW 2013	3
Oral Session	3
<i>N. Banić, S. Lončarić</i> Using the Random Sprays Retinex Algorithm for Global Illumination Estimation	3
<i>K. Brkić, S. Rašić, A. Pinz, S. Šegvić, Z. Kalafatić</i> Combining Spatio-Temporal Appearance Descriptors and Optical Flow for Human Action Recognition in Video Data	9
<i>M. Lopar, S. Ribarić</i> An Overview and Evaluation of Various Face and Eyes Detection Algorithms for Driver Fatigue Monitoring Systems	15
<i>I. Sikirić, K. Brkić, S. Šegvić</i> Classifying Traffic Scenes Using The GIST Image Descriptor	19
Poster Session	25
<i>K. Kovačić, E. Ivanjko, H. Gold</i> Computer Vision Systems in Road Vehicles: A Review	25
<i>R. Cupec, E. K. Nyarko, D. Filko, A. Kitanov, I. Petrović</i> Global Localization Based on 3D Planar Surface Segments	31
<i>V. Zadrija, S. Šegvić</i> Multiclass Road Sign Detection using Multiplicative Kernel	37
<i>I. Krešo, M. Ševrović, S. Šegvić</i> A Novel Georeferenced Dataset for Stereo Visual Odometry	43
<i>V. Hrgetić, T. Pribanić</i> Surface Registration Using Genetic Algorithm in Reduced Search Space	49
<i>M. Muštra, M. Grgić</i> Filtering for More Accurate Dense Tissue Segmentation in Digitized Mammograms	53
<i>T. Petković, D. Jurić, S. Lončarić</i> Flexible Visual Quality Inspection in Discrete Manufacturing	58
Author Index	63

Organizing Committee

General Chair

Sven Lončarić, University of Zagreb, Croatia

Technical Program Committe Chair

Siniša Šegvić, University of Zagreb, Croatia

Local Arrangements Chair

Zoran Kalafatić, University of Zagreb, Croatia

Publications Chair

Tomislav Petković, University of Zagreb, Croatia

Technical Program Committee

Bart Bijnens, Spain
Hrvoje Bogunović, USA
